Hello all,

I am starting a Special Interest Group namely a **Theatre Interest Group. (TIG)**

I have for some time organised local theatre trips for a small group of people, but I am now

opening it up to the whole club.

Firstly, I would like to know if you are interested. Just let me know by email if you are.

Once you have joined, I will regularly invite you to Theatres.

Which you can attend or not, entirely up to you.

The theatre groups that I have used so far are The New Forest Players and The Burley Players.

However, there are many more local theatre groups that we can expand to.

The next Theatre trip I am organising is below: -

### What's it about?

The Jacksons are a nice middle aged English couple. Their best friends are their Canadian neighbours, the Kroger's.

All is blissful in their world until a detective from Scotland Yard asks to use their house as an observation station to try and foil a Soviet spy ring operating in the area.

The Jacksons become more and more put out as Scotland Yard's demands on them increase.

They are really put to the test when the detective reveals that the spies are the Krogers, and he asks them to help set a trap. Should they betray their friends?
